FROM THE PRESIDENT'S DESK

I hope everyone had a happy Christmas and a merry new year. If anyone got a new 2015 for Christmas, we need your car in the World of Wheels Display, so please let us know if you got one, and bring it to the meeting so we can all drool over it! I hope everyone scored big for Christmas, but most importantly, that everyone got to spend plenty of time catching up with family. I don't know about anyone else, but I seem to be so busy during the year with work, and really life in general, not getting to see much of family. The Holidays is usually the best time for everyone to get together and catch up with relatives, in-laws, and long lost family members from out of town. I am fortunate to get along with all my family especially with the in-laws, and actually look forward to seeing everyone for the Holidays. After all, that is what Christmas is really about—Family.

After ringing in the New Year, I want to say congratulations to our new Board Members, Mark Winderweedle, returning this year as Vice President, and also to Ernie Lane, who will be filling the second position of Member at Large. To our outgoing officers, Tommy Gayer and Gene Brock, thank you for all your support over the last year, and I ask that you help out our newer board members get situated in their positions by answering any questions that they may have. I appreciate your service to the club, and hope to see you both at club events in the New Year. Enjoy your new found member

status, and don't forget you are now eligible for collecting participation points toward that one of a kind top points jacket we give away each year at the Christmas Party.

Kicking off 2015 is World of Wheels, which is happening on the last weekend of February this year. We have already started passing around the sign-up sheet for working shifts, so if you have not signed up yet at the December meeting, we will be passing the sheet around again this month, and in the February meeting. The World of Wheels show is a big money maker for our economy, so please come out and help us with the show. In return for your efforts, our club gets a donation for our charities of one thousand dollars, which is a pretty good deal for a weekend of service. If everyone signs up for at least one shift, we should be covered. And don't forget, for each shift you work, you will earn participation points. Also, you will be able to enjoy the World of Wheels show for free after you complete your shift. Another great perk of helping out with the show.

Lastly, our annual Bylaw review will also be happening in the first quarter of 2015. If you have any changes you would like to submit to the board for review, please submit them in Writing to any board member by January 15th.

Thomas Monahan

Congratulations to Scott and Melinda Wolf. They were married the day after Christmas.

The 2014 Santa Fun Run was a great success. Over 90 vehicles representing numerous local clubs participated, and toys and gifts were delivered to the Shreveport Bossier Rescue Mission, Operation Santa Claus and Toys for Tots. Thomas Monahan presented the Rescue Mission with a \$500 donation from our club to help brighten the residents' Christmas.

This month's newsletter is a little light. All members are encouraged to submit articles, tech tips and photos.

MCA NEWS

Hope everyone had great holidays. If you're like me, you kind of feel down and out of sorts. Thinking about getting the tree down and putting up the decorations seems to make me not to want to do anything. Ah well; got to get it done regardless of how I feel.

World of Wheels is just around the corner. Even though it comes later this year, we still have to get the momentum going so we don't fizzle before we get started. I always look forward to doing it. It's a chance to get involved with the club. Plus we always have our ongoing battle for the best car display. So everyone come out and help. It's a lot of fun. Get to know your fellow club members and meet members from other clubs. It's worthwhile. Plus we get paid for it. Our treasury always needs the funds. It helps us to support our charities.

At the middle of this month I'll be heading for the first board of directors' meeting for the MCA. It is always a fun time attending the Barrett Jackson auction. The cars are unbelievable. Hope to see the 50th anniversary edition of the cobra. They say only 50 of them will be produced. Will send pictures.

We'll soon be getting the plans in motion for the May trip to the National Show in Grovetown, Ga. So try to make plans to attend. It will be near the Savannah area or nearby.

Till then, start polishing up the ponies and I'll see you on the road.

Donna

2015 Club dues are due! Please fill out the membership form on the last page of the newsletter and renew your membership!

SHOW DIRECTOR'S CORNER

Now that the new year is here, we are feverishly working on our World of Wheels display. Set up is Thursday, February 29th and the show runs Friday, Saturday and Sunday. The theme is set and in motion (so to speak). There are so many ways you can help. 1. We need cars! If you are interested in seeing your car in the display, please contact Thomas Monahan or Lane Butler. They know the look we are going for. 2. Please sign up to work the show. Thomas has sign-up sheets and has reduced the length of the work shifts for us this year. You can work sign in, celebrities, kiddie stuff or just be an errand boy or girl. Remember you get free admission! 3. We also need people to just hang out by our display to make sure all is safe. The show is a lot of fun. I hope you can make it.
